

Jabra UC VOICE™ 750

STYLISH AND LIGHTWEIGHT UC HEADSET

DESIGNED FOR THE BUSY COMMUNICATOR

The Jabra UC VOICE 750 is a corded headset designed specifically for Unified Communications deployments. The headset is ideal for the office professional who often uses UC voice applications. It features a lightweight design for maximum comfort all-day long.

TWO NEW COLOR MODELS

The Jabra UC VOICE 750 is made for design-conscious professionals who value a unique design. The headset has a thin headband, and comes in both light and dark colors.

CRYSTAL CLEAR SOUND

The headset features superior sound clarity for softphone calls, conference calls, live presentations and other multimedia applications. The microphone includes a noise-reduction feature, ensuring that the recipient cannot hear background noise from the speaker's surroundings. This makes the headset suitable for use in louder office environments.

FLEXIBLE BOOM ARM TIP FOR OPTIMAL POSITIONING

The Jabra UC VOICE 750 has a flexible boom tip arm to ensure the ideal microphone placement.

PORTABLE DESIGN

The lightweight design makes the headset portable for professionals working from different locations. It comes with its own travel pouch and is easy to carry.

EASY TO DEPLOY AND OPERATE

The Jabra UC VOICE 750 is certified and optimized with all leading Unified Communications platforms. Simply connect the headset to the computer and it is ready to use.¹ The intuitive call-control unit attached to the cord allows for fast user adoption.

1. Crystal clear wideband sound
2. Padding on the headband for optimal comfort
3. Adjustable speaker chambers for optimal coupling to the ear
4. Ultra soft and comfortable leatherette ear cushions
5. Flexible boom arm tip for easy microphone adjustment
6. Microphone with a superior noise-reduction feature
7. Intuitive call-control unit for fast user adoption
8. Plug-and-play USB connectivity
