VTS-4600

46″

46″ Full-HD interactive flat panel display

VIVIDtouch's 46″ interactive display represents cutting-edge direct-view LCD technology. Combining Full HD 1080p resolution, unparalleled image quality with precise and fast 6 touch response using high-resolution infrared touch technology.

The durable, sleek, fan-less professional design has a super-slim 20mm bezel keeping the focus of the class on the content displayed, whilst the energy saving control enables the active ambient light sensor to automatically adjust the brightness.

Software included:

SMART   **Wordwall**

- Multi-touch (up to 6 users)
- Anti-glare glass
- **HD** Full HD 1080p (1920 x 1080)
- 20mm super-slim bezel
- 2 x 10W integrated speakers
- Fan-less "no noise" mechanical design
- **IRFM™** IRFM™ (Image Retention Free Modulator) technology helps prevent image retention
- Energy saving ambient light sensor
